

NEW BOARD is a light foam cleaner, safe for direct application onto slate and erasable white marker boards. Restores contrast and reduces chalk dusting and “fly away”. Helps relieve eye strain. Removes marker shadow from marker boards. Safe, convenient and easy to use. Pleasantly scented.

For use by office buildings, schools, day care centers, hotels, motels, janitorial services, hospitals, and more.

- Environmentally Safe
- Contains NO Chlorinated Solvents
- Contains NO Petroleum Distillates
- Non-Flammable

DIRECTIONS

Shake well before using. Spray liberal amount directly onto slate or white marker board. (No need to erase board before applying.) Wipe over complete surface.

Allow board to dry for a few minutes. Board can be used right away. No rechalking necessary on slate boards.

CAUTION

Contains Ethyl Alcohol (64-17-5), Ethylene Glycol Monobutyl Ether (111-76-2), Methanol (67-56-1) and Liquified Petroleum Gas (68476-85-7). Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.
