

**NON-POROUS SURFACE CLEANER** is a powerful foam cleaner that cuts through grease, dirt and grime. This product removes soil from all hard surfaces not affected by water. Its' thick foam clings to vertical surfaces to prevent drips and runs and adds to contact cleaning time.

**NON-POROUS SURFACE CLEANER** can be used on walls, tubs, tile, sinks, porcelain, Formica®, metal, vinyl, synthetic leather, enamel or any other hard, non-porous surface.

### DIRECTIONS

Shake can well. Spray either on rag or directly onto surface and wipe clean. For those difficult to remove stains, allow foam to remain on surface for several minutes before wiping off.

**NOTE:** "Spray Anyway Valve" allows can to spray while held in any position for those difficult to reach areas.

### CAUTION

Avoid contact with eyes or prolonged contact with skin. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

### FIRST AID

**IF IN EYES:** Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists, get medical attention immediately.

**IF ON SKIN:** Wash with soap and water. If irritation persists, seek medical attention.

**IF INHALED:** Remove to fresh air. Seek medical attention immediately. If breathing stops, give artificial respiration.

**IF SWALLOWED:** Do not induce vomiting. Seek medical attention immediately.

CAS Numbers: Contains Liquefied Petroleum Gas (68476-86-8), Ethylene Glycol Monobutyl Ether (111-76-2) and Sodium Metasilicate (6834-92-0).
