

SCREEN KLEEN NG* is a unique formulation for cleaning and maintaining video display terminals. The fast drying, non-streaking formulation reduces eye fatigue due to glare. **SCREEN KLEEN NG*** contains no abrasives or harsh chemicals that could damage any transparent surfaces. This product cleans, brightens and protects computer display terminals and screens, acrylic plastics, television and weatherboard screens, video game screens, copier glass, polycarbonates, tracking station screens, plastic shields, helmets and visors.

DIRECTIONS

Shake well before using. Remove cap and hold the can upright, 6 to 8 inches from surface to be cleaned. Sparingly spray in a sweeping motion. Polish with a clean, dry cloth or paper towel.

CAS Numbers: Contains aqua ammonia (1336-21-6), 2-butoxyethanol (111-76-2), isopropyl alcohol (67-63-0), water (7732-18-5) and isobutane (75-28-5).

CAUTION
 Contents under pressure. Do not puncture container. Do not store at temperatures exceeding 120°F. Do not incinerate or spray into open flame. Avoid contamination of food. Do not spray into eyes.
