

**NEW LIFE II** is a unique formula that was developed to clean light soils, polish, and remove dust and eliminate smudges, smears and fingerprints on Stainless Steel, Wood, Plastic, Laminate, Marble, Paneling and Synthetics. The unique characteristics of **NEW LIFE II** bring out the deep down beauty of all of these types of material with no silicone or wax buildup. **NEW LIFE II** features a soak-in formula that restores life & brilliance to wood surfaces and adds a beautiful gloss to less porous surfaces, such as Stainless Steel, Plastic, Laminate, Marble and Synthetics leaving a lasting shine. **NEW LIFE II** dusts, cleans & shines in one simple operation. With **NEW LIFE II** there is no need for another cleaner or polish or extra cleaning steps.

#### DIRECTIONS

Shake before using. Hold can 6 to 8 inches away from surface. Spray directly onto the surface or onto a cloth or mitt. Wipe the surface immediately. Do not use paper towels. To enhance appearance turn the cloth to the dry side as required for polishing. On hard to reach areas, such as kitchen cabinets or near the floor, spray directly on the cloth and wipe. Features a 360° Spray-Anyway Valve

**CAS Numbers:** Contains Food Grade Mineral Oil (8042-47-5), Liquefied Petroleum Gas (68476-85-7), Citrus Terpene (5989-27-5).

#### CAUTION

Do not puncture or incinerate container. Do not expose to heat or store at temperature above 120°F.

#### FIRST AID

**IF IN EYES:** Flush with water for 15 minutes. If irritated, see a physician.

**IF ON SKIN:** Wash with soap and water. If irritated, see a physician.

**IF INHALED:** Remove to fresh air. Resuscitate if necessary. Seek medical attention.

**IF SWALLOWED:** Do not induce vomiting. Call a physician immediately.
