

MARK-OFF II sprays as a thick, powerful gel, which provides extended contact time by clinging to vertical surfaces and quickly dissolving vandalism marks. Removes marks from baked enamel, oil based painted surfaces, metal, tile, concrete, brick, stone, masonry and ceramic materials.

NOTE: PRETEST BEFORE USE

When used excessively, this product may soften some plastic, paint or asphalt tile. On questionable surfaces, pretest in an inconspicuous area.

DIRECTIONS

SHAKE WELL BEFORE USING

Spray **MARK-OFF II** directly onto mark from a distance of at least 8 inches. Allow gel to work on mark for several minutes. Wipe off with a cloth or flush off with a strong water spray. Repeat if necessary.

FOR POROUS SURFACES: Wet porous surface with water to fill pores. Shake can and spray surface with **MARK-OFF II** from a distance of 8 inches. Flush with a strong stream of water. For stubborn marks, use a stiff brush to agitate area before water flush. Repeat if necessary.

MARK-OFF II ERASES MARKS CAUSED BY:

Crayons, Permanent Magic Markers, Ball Point Inks, Spray Paint, Shoe Polish, Adhesives, Wax, Lipstick, Makeup, Masking Tape and Duct Tape.
