

TR ODOR NEUTRALIZER eliminates malodors leaving areas treated with a Fresh-N-Clean scent. Great for use in hotels & motels, public buildings, nursing homes, garbage containers, closets, laundry hampers, locker rooms, bathrooms, smoking areas, autos and many more.

DIRECTIONS FOR USE

Close exterior doors. Lay several sheets of paper in center of room area. Place fogger in the center of the paper. Point can away from face and push down on activator edge to lock under outer ring. Leave area for minimum of one hour.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry area away from heat and open flames.

Disposal: Do not incinerate or puncture empty container. Replace cap. This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling empty the can by using the product according to the label. (DO NOT PUNCTURE).

CAS Numbers: Contains Water (7732-18-5), Surfactant (68298-20-4), Surfactant (68412-54-4), Methyl Ether (115-10-6), Perfume (Proprietary).

FOR PROFESSIONAL INDUSTRIAL USE ONLY

SIGNAL WORD: DANGER

CAUTION:

Contains hydrocarbon propellants. Keep away from heat, sparks, and open flames. Shut off furnace, pilot lights, generators, and fans. Use with adequate ventilation. Avoid contact with eyes and prolonged or repeated contact with skin. Do not puncture or incinerate container. Do not store in direct sunlight or at temperatures exceeding 120°F (49°C), as container may burst.

FIRST AID:

IF SWALLOWED: Do not induce vomiting. Drink large amounts of water. CALL PHYSICIAN IMMEDIATELY.

IF IN EYES: Flush eyes with water for at least 15 minutes. Get medical help.

IF ON SKIN: Wash affected areas with soap and water.
