

HAND AND BODY SHIELD forms an invisible protectant film on hands, arms, legs, and other exposed skin areas. Shields skin against damage cause by harsh chemicals, paints and dyes, resins, epoxies, fiberglass fibers, ink and other forms of dirt and grime. Allows skin to flex and breathe and helps reduce under glove perspiration. Protects against reactions from latex sensitivity. Contains Lanolin and Aloe Vera to help keep hand moist. Allows touch and feeling sensitivity not obtainable with gloves. Resists water wash off.

HAND AND BODY SHIELD can be used by nurses, workers in industrial plants, painters, service persons, bartenders, beauticians, printers, mechanics, and anyone whose hands may have extended contact with grime, water, or chemicals.

DIRECTIONS

Spray a generous amount of **HAND AND BODY SHIELD** on clean hands. Rub hands together. The foam will disappear, penetrating into pores and providing deep protection. Make sure to get under fingernails. For areas other than the hands, apply foam to fingertips, and rub into desired area. To remove, wash off with soap and water or our **GMP A-LAN-O-KLEEN** skin cleaner.

CAUTION: Contains Water (7732-18-5), Liquified Petroleum Gas (68476-85-7), Stearic Acid (57-11-4), Propylene Glycol (57-55-6), Polydimethylsiloxane (63148-62-9), Isopropyl Myristate (110+27-0), and Triethanolamine (102-71-6).

GENERAL MAINTENANCE PRODUCTS

CAUTION

Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. Do not spray on food. Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful.
