**KEEP OUT OF REACH OF CHILDREN**  
**NET CONTENTS 12 OZ(S)**

**LUSTRE SHINE** is a clear, non-foaming acrylic coating which provides a water-resistant high gloss shine. This product brightens and renews any vinyl and plastic surface. Great for those hard-to-reach places.

**DIRECTIONS**

1. Shake well before using.
2. Prepare surface. Remove dirt, dust, oil and grease. Dry surface.
3. Test spray on inconspicuous area or scrap piece to check compatibility.
4. Hold can 10" to 12" from surface. Use a stroking motion. Apply two or more coats rather than one heavy coat. For best results, spray at 70°F to 80°F.
5. Polish surface, if desired, using a soft cloth after allowing spray to dry a few minutes.

**CAS Number:** Contains Hexane (110-54-3), Propane/Butane/Isobutane Blend (68476-86-8), Silicone (63148-62-9), Mineral Oil (8042-47-5), Resin (26813-14-9).

**DANGER**

Do not puncture, incinerate, or store above 120°F (49°C). Contents under pressure. Exposure to high temperature may cause bursting. Do not place can on radiator or in direct sunlight. Keep away from heat, sparks and open flame. Use with adequate ventilation. Avoid breathing vapor or spray mist. Deliberately concentrating and inhaling the vapor of the contents may be harmful or fatal. Do not spray in eyes or mouth. If spray gets in eyes, flush with water for 15 minutes. If swallowed, do not induce vomiting. Call physician immediately. For skin contact, wash with soap and water. Provide oxygen or fresh air if overcome by vapor.

**FIRST AID**

**IF IN EYES:** Immediately flush with large quantities of water for at least 15 minutes, lifting upper and lower eyelids occasionally. Seek medical attention.

**IF ON SKIN:** Immediately flush exposed area with water for at least 15 minutes. If irritation persists, get medical attention. Remove contaminated clothing and launder before reuse.

**IF INHALED:** Remove person to fresh air. If irritation persists, give oxygen, get medical attention.

**IF SWALLOWED:** DO NOT induce vomiting. Seek medical attention immediately. Note: Never give anything by mouth to an unconscious or convulsing victim. Keep person warm and quiet.

**KEEP OUT OF REACH OF CHILDREN**
