**KEEP OUT OF REACH OF CHILDREN**  
NET CONTENTS: 1 U.S. Gallon (3.8L)

**IMPORTANT!** Always test in an inconspicuous area. Read directions thoroughly for proper results.

#### **DIRECTIONS FOR USE: (DILUTION WITH COLD TAP WATER IS RECOMMENDED)**

**DAILY MAINTENANCE:** Use 1 oz per gallon of water. Mop as normal or auto-scrub the surface.

**RENOVATION:** Use 10 oz per gallon of water. Generously spray or pour solution onto the surface. Let stand for 10 minutes, then scrub using auto-scrub machine or brush. Rinse with CLEAN water to remove soil.

**HEAVY DUTY CLEANING:** Use 24 oz per gallon of water. Generously spray or pour solution onto the surface. Let stand 10 minutes, then scrub using auto-scrub machine or brush. Rinse with CLEAN water to remove soil.

**H<sub>2</sub>O<sub>2</sub> GROUT KLEEN** will not damage wax surfaces. For best results, when renovating, strip wax before treating with product.

#### **FIRST AID:**

**EYES:** Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Seek medical attention. **SKIN:** Wash with soap and water. Seek medical attention. **INGESTION:** Seek medical attention. Do not induce vomiting. Drink large quantities of milk, egg whites, gelatin solution or water. Avoid alcohol or carbonated liquids. **INHALATION:** Remove person to fresh air. If not breathing, perform artificial respiration. Get medical attention.

#### **STORAGE AND DISPOSAL:**

**IN CASE OF SPILL:** Clean up immediately. Place leaking container in well ventilated area. To clean up spill, flush area with large quantities of water. Avoid run-off into storm sewers and ditches leading to natural waterways.

**STORAGE:** Do not exceed storage temperatures of 95°F. Best if stored between 35°F and 85°F. Overheating in storage may result in increased degradation of product and its effectiveness. Keep concentrate away from incompatible materials. Do not store around food, water or feed.

**CONTAINER DISPOSAL:** Completely empty container and do not reuse. Discard in trash, sanitary landfill or by incineration. Please support recycling. Dispose in accordance to local, state and federal laws.

**CONTAINS:** Water, hydrogen peroxide, surfactants and orange oils.

*\*This product meets Green Seal's Environmental Standard for industrial and cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.*
