

- Formulated with Aloe and the antioxidant Vitamin E to moisturize the skin.
- This effective formula cleans hands while killing bacteria.
- Towels are made from a non-abrasive fabric that is gentle to skin.
- Unlike runny sanitizing gels, wipes do not cause a mess.

DIRECTIONS FOR DISPENSING

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through "X" on the underside of lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

DISPOSAL: Offer empty container for recycling. If recycling is not available, discard container in trash. Discard towel in trash after use. Do not flush in Toilets.
