

GENERAL INFORMATION: **SANI-LEMON** produces a clear, sparkling yellow solution that brings the delightful fragrance of fresh lemon to your cleaning duties when mixed with water. Use this product concentrate in sick rooms, nurseries, restaurants, and hotels for general disinfecting and deodorizing. This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfectant.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General disinfecting: Mix 3 ounces of product to each gallon of water for general disinfection of: showers, bathrooms, garbage and diaper pails, floors, animal quarters, nurseries, kitchens, locker rooms, laundries, and other areas in need of sanitizing and deodorizing.

Deodorizing: Add 1 to 2 ounces of product per gallon of mop water. This will provide excellent deodorizing to areas where damp mopping is done. Add 2 ounces of product per gallon of water in a rinse or soak cycle of washer to deodorize diapers and work clothes.

Hospitals and Sick Rooms: Use 5 ounces per gallon of water for thorough disinfection. Allow surface to remain wet for at least 10 minutes.

For carpets: Spray a 1:15 solution of carpets as a good deodorant and anti-static agent. This helps to control mildew and other odor causing molds, use at this dilution. It is not intended as a terminal disinfectant for carpeting.

STORAGE & DISPOSAL: **Storage:** Do not expose product to temperature extremes. Store product in original shipping container in a locked storage area. Keep container closed when not in use. Do not contaminate water, food, or feed by storage or disposal.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. In the event of a spill or leak, contain product with a dry absorbent and dispose of in accordance with state or local regulations. Wear protective clothing during clean up procedures.
