GENERAL MAINTENANCE PRODUCTS

DIRECTIONS

Simply place a **GMP GEL PAK** into the battery operated **GMP GEL PAK CABINET**. The **GMP GEL PAK CABINET** will continue to deodorize the room for 30 days. Be sure to change the **GEL PAK** at the end of 30 days in order to maintain continuity and control of malodor buildup. Also make certain that battery levels are good in order to maintain fan control. Available in seven different fragrances in addition to a variety pak.
