

FORMULA 100 is a high powered cleaner that removes heavy soil and grease deposits by deep penetration and emulsifying action. Dilutes with up to 60 parts water for fast, labor saving cleaning with maximum safety to the user. **FORMULA 100** is safe for use on most metals (including aluminum), concrete plastics, washable painted surfaces, asphalt tile and rubber. Will even clean auto vinyl tops. Removes heavy grease and soil deposits, soot and smoke stains, most inks and dyes, mildew, creosote, etc.

DIRECTIONS

Heavy soils: Dilute 1 part **FORMULA 100** with 10 to 25 parts hot water and apply with a mop, sponge or sprayer. Let solution remain on surface for several minutes to penetrate and dissolve soils, then rinse or hose off with clear water. For extremely heavy deposits of soils and grease, agitation with a brush or broom is recommended for best results.

Average soils: Dilute 1 part **FORMULA 100** with 25 to 45 parts water and apply to area to be cleaned. Let solution remain on surface for several minutes before wiping or mopping clean.

Light soils: Dilute 1 part **FORMULA 100** with 40 to 60 parts water and apply in a similar manner as for "average soil."

NOTE: **FORMULA 100** is an excellent solution to be utilized in hot or cold pressure washing equipment. Dilutions will vary according to operating temperatures and pressures of the equipment selected. A 1 to 20 mixture is a good starting point.

CAS NUMBERS: Contains 2-butoxyethanol (111-76-2), sodium hydroxide (1310-73-2), nonionic surfactant (9016-45-9) and sodium metasilicate (6834-92-0).

CAUTION

Use caution. Overexposure may cause skin and eye irritation. Due to the efficient oil and grease removing properties of **FORMULA 100**, rubber gloves and protective eyewear should be worn while using this product.

FIRST AID

IF IN EYES: Flush with clear cool water for at least 15 minutes. Get medical attention.

IF ON SKIN: Wash with soap and water. If irritation develops, get medical attention.

IF SWALLOWED: Do not induce vomiting. Give plenty of water to dilute stomach contents. Call a physician.

KEEP OUT OF REACH OF CHILDREN.
