

**ZORB-KLEEN** is an excellent absorbent that absorbs 30 times its own weight. This product cleans with chemical detergents that are formulated into a compound. A special deodorizing additive will leave the area with a fresh scent. Also eliminates hazardous situations caused by greasy, oily and slippery floors.

**ZORB-KLEEN** is nontoxic, noncorrosive and completely safe, and usable in a variety of applications. This product can be used on concrete and wood floors, terrazzo, resilient tile and many other hard surfaces.

**NOTE:** Do not confuse **GMP's ZORB-KLEEN** with other products that may look or claim to be the same. There is only one **ZORB-KLEEN** and with substitutes, you may sacrifice user safety or product performance.

#### DIRECTIONS

Spread **ZORB-KLEEN**, in a light layer from 1/16 to 1/2 inch, depending on the amount of liquid to be absorbed. Allow the liquid to be absorbed, agitate if necessary, then sweep up when product is saturated.

**For soiled areas or heavy spots:** use **ZORB-KLEEN** in conjunction with **GMP's PUNCH** (10:1 with water).

Follow above listed directions.

Do not allow the product to dry out after the container has been opened. Keep the protective liner tightly sealed. If it does dry out, simply moisten with water.

**CAS Numbers:** Contains no hazardous ingredients.

#### CAUTION

Store away from flammable materials and keep away from ignition sources. Wear respirator if working with the material for prolonged periods of time.

#### FIRST AID

**IF IN EYES:** Rinse eyes with copious amounts of water. Seek medical attention if irritation persists.

**IF ON SKIN:** Flush affected area with water. If irritation persists, seek medical attention.

**IF INHALED:** Remove to fresh air. If irritation persists, seek medical attention.

**IF SWALLOWED:** If large amounts are ingested, seek medical attention.

#### KEEP OUT OF REACH OF CHILDREN
