

BIO-FRESH W/ASE efficiently eliminates organic odors at their source by bio-enzymatic action. This is a safe, natural process, which digest the organic matter producing the offensive odors. **BIO-FRESH W/ASE**, in addition to providing positive odor control, provides hard surface cleaning capabilities. **BIO-FRESH W/ASE** is totally free of pathogenic bacteria and each batch is thus certified.

DIRECTIONS

Surface Odor Control in Restrooms: Spray a mist of **BIO-FRESH W/ASE**, as supplied, directly onto walls, floors, urinals and toilets. Allow product to remain in contact with surface for at least 15 minutes. For mopping application, dilute 1 part **BIO-FRESH W/ASE** to 10 to 15 parts water and apply to the surface with a mop.

Toilets and Urinals: Pour 4 ounces of **BIO-FRESH W/ASE** into bowl and urinal and let stand for as long as possible prior to flushing.

Hard Surfaces and Floors: Add 1 part **BIO-FRESH W/ASE** to 10 to 15 parts water and apply with mop. **BIO-FRESH W/ASE** may be used on all water-safe hard surfaces including ceramics, porcelain, concrete resilient tiles, vinyl and metal.

Pressure Washer Applications: For large areas such as dog runs, kennels, showers, public transportation areas, garbage dumpsters, trash compactors, sewage plants, etc., mix 1 part **BIO-FRESH W/ASE** to 20 to 30 parts water and apply through power spray equipment.

Pressure Washer Applications: For large areas such as dog runs, kennels, showers, public transportation areas, garbage dumpsters, trash compactors, sewage plants, etc., mix 1 part **BIO-FRESH W/ASE** to 20 to 30 parts water and apply through power spray equipment.

CAS Numbers: Contains living, non-pathogenic bacterial cultures (Not assigned), non-ionic surfactants (9016-45-9), 1, 2-benzisothiazolin-3-1 (2534-33-5), and sodium salt, EDTA (64-02-8).

GENERAL MAINTENANCE PRODUCTS

CAUTION

Use caution. Store in a cool, dry place. Keep from freezing. Avoid excessive inhalation, eye contact, and contact with open cuts. Do not use with bleach, disinfectants, high alkaline, or acid detergents.

FIRST AID

IF IN EYES: Flush with clear, cool water for at least 15 minutes. Contact a physician if irritation persists.

IF ON SKIN: Wash with warm, soapy water.

IF SWALLOWED: Drink plenty of water or milk to dilute in stomach. Contact a physician immediately.

IF INHALED: Remove to fresh air.

KEEP OUT OF REACH OF CHILDREN.
