

B-D SOLV is an advanced formula degreaser/deodorizer that utilizes the best available materials to keep pace with today's environmental regulations. Powerful all organic, biodegradable solvents are specially blended to outperform most conventional petroleum based solvents plus have the added advantage of being water dilutable. The multipurpose concentrate instantly emulsifies grease, oils and fats without the use of harsh acids, caustics/alkalines, petroleum distillates, butyl solvents, chlorinated solvents, or ozone depleters. **B-D SOLV** is safe for use on glass and a variety of painted surfaces. **B-D SOLV** will remove most resins, adhesives, printing inks, decals, dirt and soil, and most petroleum based substances such as tar, asphalt, grease, oil, and even rubber tire marks. The combined degreasing/deodorizing ability makes it an excellent choice for maintaining drains, grease traps, and other sewer/septic applications as well as for treating dumpsters, trash receptacles, sewer plants, garbage trucks, and more.

DIRECTIONS

When mixing **B-D SOLV** with water, always allow time for a uniform emulsion to be formed as evidenced by a milky white solution. **Surface degreasing:** Dilute with water 2-4 ounces per gallon and apply by brushing, spraying, or mopping. Allow solution to stand 5 minutes. Rinse thoroughly. For removal of stubborn spots, apply undiluted and rinse off with water. **Odor control:** Dilute with water 2 ounces per gallon and apply by brushing, spraying, or mopping. **Drain Cleaning:** Apply **B-D SOLV** undiluted 6-8 ounces directly into the drain. Let stand for 1 to 2 hours. Flush drain with hot water. **General Purpose Cleaner:** Dilute 16 ounces (pint) of **B-D SOLV** per gallon of water and apply by brushing, spraying or mopping. Allow solution to stand for 2 minutes. Rinse thoroughly. **Heavy Duty Cleaning/Spot Cleaning of Stubborn Soil/Tar and Asphalt Removal:** Apply **B-D SOLV** undiluted by spraying or wiping onto surface. Brush or agitate if required and repeat as necessary. Wipe clean with shop cloth and/or rinse thoroughly with water. Note: **B-D SOLV** may soften or damage certain sensitive paints and plastics. Always test in an inconspicuous area to check product for compatibility.

CAS Numbers: Contains Soy methyl esters (67784-80-9) and Nonionic surfactant (9016-45-9).

GENERAL MAINTENANCE PRODUCTS

B-D SOLV

Biodegradable Solvent

- No Petroleum Distillates
- Water Emulsifiable Formula
- Powerful Citrus Solvents
- Biodegradable Formulation
- Low V.O.C.

CAUTION: Do not take internally. See side panel for additional precautionary information.

KEEP OUT OF REACH OF CHILDREN
NET CONTENTS: 5 GAL(S)

CAUTION

Do not use near heat, sparks or open flame or other source of ignition. Do not smoke in use area. Eye and skin irritant. Avoid contact with eyes and prolonged contact with skin. Keep container sealed when not in use.

FIRST AID

IF IN EYES: Flush eyes with large quantities of water. Seek medical attention if irritation persists.

IF ON SKIN: Remove contaminated clothing. Flush exposed areas with large amounts of water. Seek medical attention if irritation persists.

IF INHALED: Get to fresh air. Resuscitate if necessary. Seek medical attention if symptoms persist.

IF SWALLOWED: Do not induce vomiting. Give large quantities of water. Seek medical attention immediately.
