

**DETAILER** is an advanced silicone product. This is the perfect finishing touch on virtually any vehicle cleaning, maintenance or detailing job. The special formula quickly restores like-new color and luster to rubber, vinyl, leather, plastics, and more.

**DETAILER** is an odorless blue liquid that will not streak or sport and is long-lasting in use. Use **DETAILER** on tires, dashboards, trim, hoses, bumpers, seats, tops, vents, and seals. Excellent choice for making all vehicles – auto, fleet, cycle, marine, aircraft, and RV – look “like new” while protecting from the elements.

### DIRECTIONS

Clean object thoroughly. Apply **DETAILER** evenly with a cloth, sponge, or spray onto dry surfaces. Allow sufficient penetrating time then buff off excess. Apply three initial applications and allow sufficient drying time to deliver optimum protection and luster. Repeat as often as necessary.

**NOTE:** Protect surrounding areas from slippery spills or over spray.

**IMPORTANT:** This dressing contains silicone and must be used with caution on two wheel vehicles because of the reduction in friction, particularly on sidewalks, seats, and seat pegs.

CAS Numbers: Contains Mineral Spirits (8052-41-3).

### GENERAL MAINTENANCE PRODUCTS

**CAUTION**  
Contains mineral spirits. Extremely flammable. Use only in a well ventilated area. Do not use near heat, sparks, open flame, or other sources of ignition. Do not smoke in use area. Harmful or fatal if swallowed. Do not incinerate container. Do not expose to heat or store at temperatures above 110°F.

**FIRST AID**  
**IF IN EYES:** Flush with soapy water for 15 minutes. If irritated, seek medical attention.  
**IF ON SKIN:** Wash with soapy water. If irritated, seek medical attention.  
**IF INHALED:** Remove to fresh air. Resuscitate if necessary.  
**IF SWALLOWED:** Do not induce vomiting. Get immediate medical attention.
