

MICROBE-KLEEN is a highly effective Microbe-Powered formula (liquid) that is used for parts cleaning. It remediates oil and grease into carbon dioxide and water. **MICROBE-KLEEN** contains inhibitors for superior rust and corrosion prevention. It has an excellent rinse ability, fast drying leaving no residue. It also is non-toxic, non-caustic, non-flammable and non-hazardous. The unique characteristic of **MICROBE-KLEEN** is its' ability to adapt to the changing distribution of hydrocarbon by-products and produce more enzymes needed to digest a particular type of chemical. The food grade botanical extracts increase the attack ratio for the microbes and enzymes. Dispose in waste sewer drains. **Disposable in waste sewer drains whether facilities are private or municipal pretreatment plants.**

DIRECTIONS

1. Dilute 10:1 with water. For best results heat the solution to 125°F.
2. Agitate for heavy, stubborn hydrocarbon build-up.
3. Replace when the solution becomes cloudy. (Approximately 30 to 45 days).

Does not contain any hazardous materials.

GENERAL MAINTENANCE PRODUCTS

MICROBE-KLEEN
PARTS CLEANER LIQUID

- Microbe-Powered Formula
- Remediates Oil and Grease
- Contains Inhibitors
- Excellent Rinse Ability
- Dilute 10:1 With Water
- Fast Drying Leaving No Residue
- Non-Toxic, Non-Caustic, Non-Flammable and Non-Hazardous
- Eliminates 100% Of Disposal Cost

CAUTION:
KEEP OUT OF REACH OF CHILDREN
NET CONTENTS: 55 GALLONS

CAUTION

Use caution. Contains living, non-pathogenic bacterial cultures. Store in a cool, dry place. Keep from freezing. Avoid excessive inhalation. Use chemical resistant gloves, goggles & aprons recommended by OSHA. Always wash hands thoroughly after use. Do not store below 32°F. Do not take internally.

FIRST AID

EYES: Flush with clear cool water for fifteen minutes.

SKIN: Wash exposed areas with soap and water.

INHALATION: Remove victim to fresh air or oxygen supply. Seek medical attention if breathing difficulty persists.

IF SWALLOWED: If conscious, give victim two glasses of water to dilute ingested material. Do not induce vomiting.
