

SPOT-OUT is an industrial strength spot and stain remover designed for commercial and institutional carpeting. This product quickly penetrates and removes most spots and stains to keep carpets looking fresh between cleanings. **SPOT-OUT** may also be used as a pre-treatment prior to cleanings.

SPOT-OUT will not remove apparent stains where carpet fibers have been bleached or chemically altered by a spilled material. This product will successfully remove stains such as blood, greasy soil, pet stains, many food stains, iodine, coffee and tea, wine, cola, milk, fruit juices, oil and grass stains, shoe polish, crayons, latex paint, chocolate, raw eggs, catsup, heavy grime, and many others.

DIRECTIONS

Always pre-test this product in an inconspicuous area of the carpeting or fabric to assure color fastness.

For Carpeting: Fluidly apply the stain remover to the stained area. Agitate with a stiff bristled spotting brush. Blot with a dry absorbent terry cloth towel. Repeat if necessary.

For Upholstery: Apply product to a dry terry towel. Blot out the stain. Repeat if necessary.

Laundry Pre-Spot: Apply directly to the stain and agitate. Launder immediately.

CAS Numbers: Contains dodecyl benzene sulfonic acid (27176-87-0), triethanolamine (102716), 2-propanol (67-63-0), sodium laurel sulfate (151-21-3), and 2-butoxyethanol (111-76-2).

CAUTION

Do not ingest. For industrial, institutional, and commercial use only.

FIRST AID

IF IN EYES: Flush eyes with large quantities of clear, cool water. Seek medical attention if irritation persists.

IF ON SKIN: Remove contaminated clothing. Flush affected areas with water. Prolonged contact may cause dermatitis.

IF SWALLOWED: Drink a large quantity of water. Seek medical attention immediately.

KEEP OUT OF REACH OF CHILDREN.
