

**BIO-SPOTTER W/ASE W/ASE** eliminates organic stains and odors by bio-enzymatic action. This is a safe, natural process which digests the organic matter producing the offending stain and odor. **BIO-SPOTTER W/ASE W/ASE** will effectively remove odors caused by spilled organic wastes in carpets and padding. **BIO-SPOTTER W/ASE W/ASE** can be used safely on all surfaces not harmed by water including carpeting, padding, most upholsteries, fabrics, drapes, asphalt, and concrete. **BIO-SPOTTER W/ASE W/ASE** is totally free of pathogenic bacteria and each batch is thus certified.

#### DIRECTIONS

**Spot Cleaning and Deodorizing:** Shake well. Mix 1 part of **BIO-SPOTTER W/ASE W/ASE** with 1 to 2 parts water. (Use mixed solution within 4 hours.) Test an inconspicuous area for color fastness before applying to stained area. Remove gross soil and dirt before applying to stain. (**GMP's SPOT-OUT** is an excellent choice for gross soil removal.) Spray stained area with solution of **BIO-SPOTTER W/ASE** and work stained area in a circular motion with carpet brush. Soak up excess moisture with clean, dry terry towel. Allow carpet to air dry.

**For Persistent Carpet Odors:** Organic soil has probably penetrated into the carpet padding. Inject a diluted solution of **BIO-SPOTTER W/ASE** directly into the padding. Using a compression sprayer, apply a light misting of the diluted **BIO-SPOTTER W/ASE** mixture to the entire carpet surface.

**For Organically Stained Concrete:** Apply full strength. Allow product to remain on surface for 15 minutes. Do not allow to dry. If surface begins to dry, add additional **BIO-SPOTTER W/ASE** to surface again. Agitate and flush surface with clear water.

**CAS Numbers:** Contains living, non-pathogenic bacterial cultures (Not assigned).

**GENERAL MAINTENANCE PRODUCTS**

**BIO-SPOTTER**  
with A.S.E.  
Organic Stain Remover

- Biological action removes stains and odors
- Safe to the environment
- Safe to humans and pets
- Will not promote resoiling

**CAUTION:** Do not ingest. See side panel for additional precautionary information.

**KEEP OUT OF REACH OF CHILDREN.**  
NET CONTENTS 1 LITER(S)

#### CAUTION

Use caution. Store in a cool, dry place. Keep from freezing. Avoid excessive inhalation, eye contact, and contact with open cuts. Do not use with bleach, disinfectants, high alkaline, or acid detergents.

#### FIRST AID

**IF IN EYES:** Flush with clear, cool water for at least 15 minutes. Contact physician if irritation persists.

**IF ON SKIN:** Wash with warm, soapy water.

**IF SWALLOWED:** Drink plenty of water or milk to dilute in stomach. Contact physician immediately.

**IF INHALED:** Remove to fresh air.

**KEEP OUT OF REACH OF CHILDREN.**
