

DIRECTIONS

To clean and deodorize toilet bowls: Remove water from bowl with swab by forcing water over the trap. Squeeze water from swab against bowl. Hold bottle over bowl and saturate swab with bowl cleaner. Swab bowl thoroughly, especially under the rim at water outlet, taking care to clean. Flush toilet and rinse swab. To deodorize after cleaning and flushing bowl, pour 2 to 4 ounces of **H.D. BOWL CLEANER** into water still in the bowl. Swab the entire bowl and seat cover, rinse well, then flush.

To clean and deodorize urinals: Hold swab over urinal and saturate swab with bowl cleaner. Swab all surfaces or urinal, including water outlets at top and all grooves. Remove screen and pour 3 to 5 ounces of **H.D. BOWL CLEANER** in and around drain pipe. Let stand for approximately 3 to 4 minutes. Swab drain well. Replace the screen, flush, and rinse swab.

PRECAUTIONS

Do not use on sinks, bathtubs, porcelain, or any surface other than vitreous ware. If used on any other surface, it is done entirely at the user's risk. Do not re-use empty container. Rinse thoroughly with warm water. Discard in a safe place.

ACTIVE INGREDIENTS:.....27.84%
Hydrogen chloride.....27.64%
Para-di-isobutyl phenoxy ethoxy ethyl dimethyl
benzyl ammonium chloride0.20%
INERT INGREDIENTS:.....72.16%

CAS Numbers: Contains hydrochloric acid (7647-01-0), tergitol nonionic surfactant NP10 (26027-38-3), and lytron E305 (N/A mixture).

GENERAL MAINTENANCE PRODUCTS

H.D. BOWL CLEANER

- Concentrated
- Cleans
- Deodorizes
- Attacks rust

DANGER POISON

Harmful or fatal if swallowed.
See antidote and precautions on side
panel.

KEEP OUT OF REACH OF CHILDREN.

NET CONTENTS 32 FL OZ(S)

DANGER: POISON

Contains hydrochloric acid

Corrosive. May be fatal if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin, or on clothing.

FIRST AID

IF IN EYES: Wash with water for 15 minutes. Get prompt medical attention.

IF ON SKIN: Wipe off acid gently. Immediately flood the surface with water, using soap freely. Cover with moist magnesia or baking soda. If irritation persists, seek medical attention.

IF INHALED: If bothersome, remove from area.

IF SWALLOWED: Call a physician immediately. Drink a teaspoonful or more of magnesia, chalk, or small pieces of soap softened with water, in milk, or raw egg whites. Seek medical attention.

KEEP OUT OF REACH OF CHILDREN.
