

**SHOWER KLEEN** is a carefully formulated product of select chemicals for safe and efficient cleaning of tile, grout and fixtures. This product eliminates dirt, grease, grime, soap scum, hard water stains and discolorations. **SHOWER KLEEN** is excellent for use on metal, all types of aluminum, stainless steel, chrome plating, formica, marble glass, ceramic and glazed tile, and fiberglass surfaces. This product leaves the surface gleaming without streaks, powdery residue or hazy after-film.

**NOTE:** Do not confuse **GMPs SHOWER KLEEN** with other products that may look or claim to be the same. There is only one **SHOWER KLEEN**. With substitutes you may sacrifice user safety and product performance.

#### DIRECTIONS

Affix the trigger sprayer to the container, as supplied. Adjust the sprayer to deliver a light, clinging foam. Apply product to area to be cleaned with a smooth, even motion from a distance of 12 to 18 inches. Allow the foam to penetrate the soil for several minutes. Wipe clean with a damp cloth, towel, sponge or mop. Wipe once again with a dry, absorbent towel to restore gleam and glisten to the clean surface.

CAS Numbers: Water (7732-18-5), Alkyl Polyglycoside (68515-73-1), Sodium Laureth Sulfate (68585-34-2), Coconut Diethanolamide (68603-34-2), Propylene Glycol (57-55-6).

#### CAUTION

Use caution. Do not store in areas where product may freeze.

#### FIRST AID

**IF IN EYES:** Flush eyes with large quantities of clear, cool water for 15 minutes. See medical attention if irritation persists.

**IF ON SKIN:** Remove contaminated clothing. Flush affected areas with water. If irritation persists, seek medical attention.

**IF SWALLOWED:** Do not induce vomiting. Drink large quantities of water or milk to dilute stomach. Seek medical attention immediately.

#### KEEP OUT OF REACH OF CHILDREN.
