

## DESCRIPTION

**C2/E2\* W/ASE** is a highly concentrated, non-acid, bio-active, safety formulation. It is designed for rapid removal of air-borne soils, grease, smoke, industrial pollution, and scale and oxides from heat transfer surfaces, air conditioning coils, multi-row finned coils, and radiators. **C2/E2\* W/ASE** will reduce power consumption and increase the useful life of the unit while improving cold air output. **C2/E2\* W/ASE** is non-corrosive and non-flammable. It will not tarnish or corrode aluminum or other metals when used as directed. **C2/E2\* W/ASE** will not damage gaskets, wiring, paint, or insulation found in heat transfer equipment. **C2/E2\* W/ASE** is recommended for air conditioning coils, heating and cooling coils, condenser coils, filters, evaporators, ice machines, fans, heat pumps, and automotive coil units.

## DIRECTIONS

**For coils:** Shut off unit to be cleaned. Spray **C2/E2\* W/ASE** onto surface as supplied or with a compression sprayer. Allow solution to remain on surface for several minutes. Rinse well with water under pressure. <sup>H</sup>**NOTE:** It is not necessary to rinse **C2/E2\* W/ASE** sprayed on evaporator coils. Condensation formed will self-rinse these coil.

**For filters:** Adjust sprayer to deliver a foaming spray. Spray both sides of the filter. Allow to set for 5 minutes and thoroughly flush with water under pressure. This product may also be used in a dip tank to clean filters.

CAS Numbers: Contains 1-methoxy-2-propanol (000107-98-2), 2-methoxy-1-propanol (001589-47-5), potassium hydroxide (1310-58-3), alkyl phenol ethoxylate (9016-45-9), and sodium metasilicate (6834-92-0), Living Bacterial Cultures (CAS N/A).

## GENERAL MAINTENANCE PRODUCTS

# C2/E2\* W/ASE

## Heat Transfer Equipment Rejuvenator

**\*Clean Coils are Energy Efficient**

- Non-Rinse<sup>H</sup>
- Bio-Active Formulation
- Non-Acid Safety Formula
- Restores Energy Efficiency
- Non-Corrosive and Non-Fuming

**CAUTION:** Do not take internally. See side panel for additional precautionary information.

**KEEP OUT OF REACH OF CHILDREN.**

NET CONTENTS 1 LITER (33.8 FL.OZ.)

## CAUTION

Use caution. Over-exposure may cause skin and eye irritation. Protective eye wear and chemical resistant gloves should be worn while handling this product if there is any danger of accidental skin or eye contact.

## FIRST AID

**IF IN EYES:** Flush with clear, cool water for at least 15 minutes. Get medical attention.

**IF ON SKIN:** Wash with soap and water. If irritation develops, get medical attention.

**IF SWALLOWED:** Do not induce vomiting. Give plenty of milk or water to dilute stomach contents. Call a physician.
