

MULTIPLEX EP GREASE is a lithium-complex grease, white in color. Due to its high drop point and the large quantity of polymers, it is a very versatile grease for multi-purpose extreme pressure applications. The versatility of **MULTIPLEX EP GREASE** makes this lubricant very cost effective by reducing and eliminating the inventory of several specialty greases. The tackiness of **MULTIPLEX EP GREASE** makes it highly suitable as an open gear grease especially when a clean grease is preferred to the customary black asphaltic type open gear compounds. **MULTIPLEX EP GREASE** is highly recommended for and has been field tested as a truly "heavy duty" industrial grease with multiple applications.

PRECAUTIONS

Misuse of empty containers can be hazardous. Empty containers can be dangerous if used to store toxic, flammable, or reactive materials. Cutting or welding of empty containers might cause fire, explosion, or toxic fumes from residue. Do not pressurize or expose to open flame or heat. Keep container closed and drum bungs in place. **KEEP OUT OF REACH OF CHILDREN.** Do not ingest.

MULTIPLEX EP GREASE NLGI #2

- High Timkin Rating
- Waterproof
- Acid Resistant
- Adhesive and Cohesive
- High Temperature (550°F+)
- Shear Stable

KEEP OUT OF REACH OF CHILDREN.

NET CONTENTS: 14.5 OZ(S)

MULTIPLEX EP GREASE can be used for wheel bearings (with disc or conventional brakes), chassis, fifth wheels, roller and ball bearings, water pumps, bucket pins, ball joint, universal joints, and king pins.

CAS NUMBERS: Several highly treated heavy naphthenic distillates (64742-52-5), solvent refined heavy paraffinic distillates (64741-88-4), residual oils, hydrotreated (64742-57-0), antimony dialkylthiocarbamate (15890-25-2), and zinc oxides (1314-13-2).

WARNING: Always follow OEM Machine Lubrication Instructions for proper lubrication procedures.

FIRST AID

IF IN EYES: Flush with large amount of water for at least 15 minutes or until irritation subsides.

IF ON SKIN: Remove any contaminated clothing and wash skin with soap and warm water.

IF INGESTED: Call a physician immediately.

KEEP OUT OF REACH OF CHILDREN.

GHS: No GHS Pictograms

SIGNAL WORD: None
