## #LU600 TO2 Ultra Torque - Tractor Hydraulic Fluid

### Tech Bulletin

#### Product Description

TO2 Ultra Torque TH Fluid provides excellent extreme pressure protection for maximum gear life and capacity for wet brakes and power-take-off clutches, excellent wet brake noise suppression and filterability characteristics.

TO2 Ultra Torque TH Fluid is able to achieve these results while meeting requirements for corrosion and rust inhibition, water tolerance, and temperature operation range. This data is supported in the form of approvals from major manufacturers and extensive field service trial experience.

#### Suitable for Use

TO2 Ultra Torque TH Fluid is suitable for use in applications specifying the following fluids:

Massey-Ferguson CMS M1145	JCMAS HK P-041
Massey-Ferguson CMS M1143	JCMAS HK P-042
Massey-Ferguson CMS M1141	John Deere J-20C
Massey-Ferguson CMS M1138	Komatsu
Massey-Ferguson CMS M1135	Kubota UDT
Permatran III	Parker Dennison UTTO, HF-0-HF-02
White Q-1826	Volvo VCE 1273.03
Allison C-4	Volvo WB101
API GL-4	Danfoss HydroStatic Trans Fluid
Case New Holland MAT3505	Steiger HydrTrans Fluid
Case New Holland MAT3525	Sauer Sunstrand
Case New Holland MAT3526	Sperry Vickers/Eaton I-286S
ESN M2C86B	Sperry Vickers/Eaton M2950S
Eaton Vickers 694 ATS-373 w/35VQ25	HyTran Plus and HyTran Ultra
JI Case MS-1204 through MS 1206	B-6 by
HyTran JI Case MS-1210	

#### Typical Properties

<u>Property</u>	<u>TO2 Ultra Torque</u>
Gravity, °API	31.1
Flash Point, COC, Deg F (C)	> 350(177)
Pour Point, Deg F (C)	-30 (-34)
Viscosity at 40 Deg C, cSt	42
Viscosity at 100 Deg C, cSt	9.2
Viscosity Index	162
Copper Corrosion Test	Pass
Foam Test	Pass
Sulfated Ash, Weight %	<2.0
Color	<5
